

## Stay Focused on Jesus ~ Matthew 14:22-33

### April 2024 Newsletter

#### Pastor's Revelation

In our Month of Prayer our focus is on Faith, Family, and Fitness. We will take a deep dive into the area of our faith. From having Faith in God, Saving Faith, Sanctifying Faith, Supernatural Faith, and everything in between. Faith is a spiritual muscle that when exercised gets stronger.

We will continue to explore the idea of Family from a biblical perspective as men, women, and children. The roles we play and the relationships we have are critical. We firmly believe strong families produce strong churches and strong churches change the world.

We often overlook the importance of Fitness. Being a good steward over the temple we have been entrusted with is also important. We should actively engage in activities to improve our overall mental, emotional and physical health.

Finally, we will also emphasize Finances, learning how to be good stewards by honoring God with our first fruits, emphasizing deleting debt, saving, and developing a mindset to create sustained generational wealth.

I'm excited to embark upon RCF's 2024 Month of Prayer. Imagine if your focus this year can impact the next 10 years of your life? Take a picture, journal, and record where you are now. By applying the principles you will learn during our 2024 Corporate Fast, GOD will honor his WORD and you will become the person HE designed you to be.

Be Encouraged!

Pastor Dwayne Wilson
